

Sustainability Academy participants – Serbia (lead by Trag)

White Cane Association of the Blind and Persons with Impaired Vision, Belgrade

White Cane's current project is to promote their cause, to assist and advocate for blind and visually impaired people in Serbia, and to fundraise in the community in order to purchase the first Seeing Eye dog in Serbia, as well as educating a trainer that can help raise other Seeing Eye dogs. These will facilitate mobility of the blind and other persons with impaired vision.

Association for Children's and Cerebral Palsy, Kosjeric

The aim of the project is to fundraise in order to sustain and improve the social service of daycare that provides support to children with cerebral palsy from the Kosjeric area.

Center for Development Policy and Cooperation, Novi Pazar

This project fundraises for the creation of an interactive online platform that would map the significant sights and cultural heritage of the city of Novi Pazar, in order to contribute to the development of tourism in this area, and through it to overall community development.

Association Children's World, Mačvanska Mitrovica

Children's World is fundraising in order to restore the unused Cultural Centre in the community so that it can be used for educational and cultural purposes. The centre will offer educational programs for children, as other programs to rest of the community of Macvanska Mitrovica

Iringo Association, Horgoš

Iringo Association is fundraising in order to re-establish a local newspaper that would educate and inform the local community on various issues, as well as start a school of journalism for young people in the community. The

Communication Point, Belgrade

This organization is raising money to further develop a sound map of Belgrade, an innovative platform that maps and tells the stories of the local community, thus providing a fresh approach to development of tourism.

The Right Step Association, Medoševac, Niš

The Right Step is fundraising in order to reinvent the central public space in their community and make a new park which would be built with the participation of local youth.

Zrenjanin Educational Centre, Zrenjanin

ZEC is fundraising in order to sustain their social service SOS line for local female victims of domestic violence, along with other services that they provide to these women.

Bor Society of Young Researchers, Bor

Bor Society of Young Researchers is raising money in order to introduce new mechanisms of waste management, recycling and reuse through concrete recycling activities and education workshops about creative recycling.

Novi Sad Cycling Initiative, Novi Sad

The Initiative advocates for community bike friendly policies and practices, and their project consists of forming a network of bike-friendly places and introducing a mobile app which would map all the bike lanes and bike friendly zones in the city of Novi Sad.

Milica Women's Centre, Vrnjačka Banja

Milica Women's Centre is fundraising in order to establish a support centre for breast cancer patients that would provide psychosocial support and other services.

AFA-Association of Photographers, Belgrade

The Association is gathering money in order to fund photography workshops to foster multicultural understanding and dialogue between youth in Belgrade and Novi Pazar.

Street for Cyclists, Belgrade

Street for Cyclists is fundraising to organise a variety of activities that would promote biking as a sustainable form of transport. These include critical mass events, workshops for making extraordinary bicycles and similar activities. .
